I affirm to be a born-again believer in Jesus Christ and agree to follow **JOSHUA'S WARRIORS** Statement of Faith, Mission Statement, and Action Plan as follows:

### **STATEMENT OF FAITH**

We believe in the Bible to be the inspired, the only infallible, authoritative Word of God. We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory. We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life. We believe in the resurrection of both the saved and unsaved; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation. We believe in the spiritual unity of believers in our Lord Jesus Christ.

### **MISSION STATEMENT**

We desire to restore, preserve and protect the freedoms given to us by God and defined as certain unalienable rights in the Declaration of Independence and incorporated into the Constitution of the United States and the Bill of Rights. We proclaim the premise that our Founding Fathers were inspired by God. Our democratic republic form of government will only survive with a moral and God-focused people. We know that as citizens of the USA we have been blessed by God to live, work, prosper and worship in the strongest and most free nation in the world.

### **ACTION PLAN**

Our goal is to represent, proclaim and exalt the name of Jesus in every area of ministry so that He is seen as the answer for sin, salvation and healing for our nation. We recognize that unless God-fearing people get deeply involved in the affairs of state at every level, our culture and our great nation will not survive as the Founding Fathers established it. We must once again become a nation of true American values, based on Biblical truths. We must educate the American public, and especially our youth, so that they can discern right from wrong and be a people of action. We will encourage, promote and facilitate this through honest, factual and informative communication, utilizing any acceptable standards available to raise awareness and instigate a positive response that realigns our culture to its God-honored origins.

I willingly desire to proclaim these statements in the work of the organization.
